Take our financial wellness assessment.

Getting started with EY is easy. All you need to do is register on the *EY Financial Planning Center*® then complete the online Financial Wellness Assessment. The assessment asks a series of money related questions then provides action items prescribed just for you so you can take immediate steps to improve your financial wellness. With each retake of the assessment, you'll receive new action steps to track your progress.

We work with you the way you need us to.

The EY financial planning benefit is offered by PBUCC at no cost to you. No matter your age or level of financial understanding, our objective guidance helps you get on the road to financial wellness. You decide how to best interact with us and we'll tailor our approach to you.
