IMPORTANT INFORMATION TO KNOW BEFORE SUBMITTING AN ACCOUNT BALANCE DISTRIBUTION FORM

Federal Tax Notice

The total of the amount paid to you under this option is eligible for a “rollover” that can be taken in two ways. You can have all or a portion of the eligible rollover payment either:

1. paid in a “direct rollover,” or
2. paid to you.

A rollover is a payment of your benefits to your traditional individual retirement arrangement (IRA) or to another 403(b) tax-sheltered annuity plan. This choice will affect the tax you owe. If you choose a direct rollover by the Pension Boards, the payment under this option will not be taxed in the current year and no income tax will be withheld. Your payment will be made by the Pension Boards directly to your IRA, or if you choose, to another 403(b) tax-sheltered annuity plan that accepts your rollover. Your benefit payment will be taxed later when you take it out of the IRA or the tax-sheltered annuity plan.

If you choose to have your benefits under this option paid to you, you will receive only 80% of the payment, because the Pension Boards is required to withhold 20% of the payment and send it to the IRS as income tax withholding to be credited against your taxes. Your payment will be taxed in the current year unless you roll it over.

You can also roll over the payment yourself (to your IRA or another tax-sheltered annuity plan that accepts your rollover) within 60 days of receiving the payment. The amount rolled over will not be taxed until you take it out of the IRA or 403(b) tax-sheltered annuity plan. If you want to roll over 100% of the payment to an IRA or other tax-sheltered annuity plan yourself, you must find other money to replace the 20% that was withheld. If you roll over only the 80% you received, you will be taxed on the 20% that was withheld and not rolled over.
