

A night scene in a city square, likely Times Square, with tall buildings lining the streets. In the center, a large, brightly lit Christmas tree stands, flanked by two large, illuminated angel figures holding long poles with golden spheres. A large crowd of people is gathered in the square, looking up at the decorations. The sky is dark, and the buildings are lit up with various lights.

Good news...
Great joy...
All the people!
(Luke 2:10)
