Important Questions	Answers	Why This Matters:
What is the overall deductible?	Medical: Individual/Family \$3,000/\$6,000 network providers , \$9,000/\$18,000 out-of-network providers . Doesn't apply to preventive services or drug and physician office visit copayments . Dental: Individual/Family \$100/\$200.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible .
Are there services covered before you meet your deductible?	Yes. Preventive care and primary care services are covered before you meet your deductible .	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.pbucc.org/images/pbucc/publications/Health/Non-Medicare_Highlights.pdf
Are there other deductibles for specific services?	Yes, separate \$100 deductible per person for orthodontics. There are no other specific deductibles .	You must pay all of the costs for these services up to the specific deductible amount before this plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	For network providers \$6,900 individual / \$13,800 family; for out-of-network providers \$20,000 individual / \$40,000 family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums , balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit .

<p>Will you pay less if you use a network provider?</p>	<p>Yes. Call 1-866-763-9471 or see www.highmarkbcbs.com for a list of network providers. Call 866-851-7576 or see www.ucci.com for a list of dental network providers.</p>	<p>This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.</p>
<p>Do you need a referral to see a specialist?</p>	<p>Except in limited instances, no physician referrals are required.</p>	<p>This plan will pay some or all of the costs to see a specialist for covered services but some limited instances require you have a referral before you see the specialist.</p>
