Grace to you and peace in this New Year.

This letter contains information on how your disability payments are taxed by the federal government. If you received long-term disability benefits, you will receive your Form W-2 directly from Metropolitan Life Insurance Company. If you received short-term benefits, your W-2 is enclosed with this letter.

**Federal income tax on your disability payments from the UCC Life Insurance and Disability Income (LIDI) Benefit Plan**

Generally, disability payments received by an individual under a non-contributory plan are fully includable in gross income for federal tax purposes.

We report to the Internal Revenue Service (IRS) the total taxable disability payments you received during 2021 from the UCC Life Insurance and Disability Income (LIDI) Benefit Plan ("Plan"). We have assumed that you did not contribute to the cost of the Plan and, therefore, the total amount of the benefits you received during 2021 is shown in **Box 1** as includable wages.

Please notify the Pension Boards if you did contribute toward the cost of your Plan coverage. Contact information may be found below.
